Appellate Advocacy – General/Natural Resources (Belleville)

For Appellate Advocacy, it is the same as last year too (Beazley, A Practical Guide to Appellate Advocacy), except there is a new (5th) edition out. That's what I wanted to talk with you about. I don't want to make the kids buy new books if the 4th will suffice, but I was waiting for my professor's copy of the 5th edition to see how much changed. I haven't gotten it yet, so can you list both the 4th edition and the 5th edition on the book list, and specify that either will suffice (as will the 3rd edition). The info for the 5th edition is Wolters Kluwer (5th ed. 2018), ISBN 978-1454896340. The other book for App Ad – Dvorsky – is the same as last year.
