

Disclosure Policy to Address COVID-19 as of January 15, 2021

To support the health and safety of the ASL campus:

Students, Faculty, and Staff members who are exhibiting symptoms of COVID-19, awaiting test results, have been identified as being exposed to COVID-19, or have tested positive must self-disclose to Abigail Wescott the Public Health Project Manager using this [form](#). The form must be completed and sent to Ms. Wescott within two hours of any of these occurrences. Until further correspondence with Abigail Wescott, please do not return to campus.

Any individual identified by ASL as testing positive for COVID-19 will be reported to VDH and the local health department as outlined in ASL's SCHEV plan so that case investigation and contact tracing may be conducted. Outside of this reporting, all efforts will be made to ensure the privacy of all individuals.

Students are reminded that failure to abide by any COVID-19 related policy violates the Code of Student Conduct/Code of Academic Integrity. Faculty and Staff are reminded that failure to abide by any COVID-19 related policy violates the Personnel Policies and Procedures Manual.

If you have any questions or concerns, please contact Abigail Wescott at awescott@asl.edu
